

Information for Dutchess County Fair Concessions Operations

Thank you for your interest in joining us at the Dutchess County Fair! The Dutchess County Fair is the largest six day fair in New York State and according to industry “insiders” has long been considered the best six day county fair in the country. 170+ years old, The Dutchess County Fair boasts a tradition of excellence.

Averaging 400,000 attendees over the 6 days, we draw from a one hundred-fifty mile plus radius of Rhinebeck.

Concessions are chosen on product/services, the application and support materials, concessions experience, booth presentation and location availability. There is no deadline for applications and an application will be considered for two years from receipt. Incomplete applications will not be considered. Applications will be acknowledged with a confirmation of receipt letter. Concession License applications are available at www.dutchessfair.com.

Typically, new concessions are invited to join us in mid-April on. Contracts to existing concessions are sent out in February and by mid-April we know what locations are not booked. There are very few openings and the selection process is very competitive.

If you have questions, please feel free to contact the Fairgrounds Office at 845-876-4000 or daschmann@dutchessfair.com. For additional information, please see the Vendor Handbook.
