2. As always, 4-H'ers are expected to continue to treat their animals humanely.
3. Any perceived infractions should be reported immediately to the Club Leader(s).
4. Remember, your dog is not a robot. If your dog has a "bad" day, take it in stride. The old saying, "Train, Don't Complain", is very appropriate.
5. Do not allow your dog to sniff and/or come in close contact with another dog. If your dog shows ANY sign of aggression towards another dog (or a person), immediately get tighter control of your dog and walk away (preferably off to the side rather than exposing your dog's rear to the other dog). Report the incident to the adult responsible for your county at the show.
