### Action Sports Invading Rhinebeck at the Dutchess County Fair

Rhinebeck NY.....Brigade Action Sports Entertainment has their sights set to risk their lives at this year's 171<sup>st</sup> Dutchess County Fair. They are coming to town with a full arsenal of extreme sports X-Games athletes to throw down death defying stunts on their ATV's, dirt bikes and even Snowmobiles.

Motorcycles, ATV's, and even 600 pound snowmobiles will be flying 90ft through the air! Stunt shows are set to go off on Saturday and Sunday at 2pm & 6pm in front of the grandstands. Rarely does this many machines and talent combine into one arena to throw down all at the same time. Kiss of Deaths, Hart Attacks, Flat Liners, and if the crowd gets loud enough even Backflips!

It is an event that should be one for the books. For more details about Brigade Action Sports Entertainment you can visit <http://www.brigadeease.com> .
