GLOVE MONSTER

from craftaholicsanonymous.net

Supplies: Glove, Filling: batting/fiberfill, Cotton Balls or Shopping bags cut into thin strips, needle/thread, buttons, felt, etc for embellishing

Directions:

- Turn the glove inside out and sew a U-shape from the top of the thumb hole to the other side of the glove leaving a 1" hole at the center top.
- Turn the glove right side out.
- Tuck the cuff inside.
- Stuff with filling, making sure to get

filling to the end of each of the 4 fingers. It takes only a couple handfuls of batting.

- Hand stitch the 1" hole shut.
- Cut facial features out of felt and hand stitch felt, buttons, etc in place. (Do not use button embellishments for kids under 3 years old, if they came loose, they could present a choking hazard.)

- Remember: No Glue, Have Fun and Be Creative!

SEWN FELT DECORATION

Supplies: Any color felt, batting or fiberfill (or cotton stuffing), 8 inches of ribbon to hang. Thread, needle, and embellishments (buttons, beads, ric-rac, embroidery floss, yarn) to sew on. Heart template, use drawing provided.

Directions:

- Enlarge pattern to desired size. Size should be 3 inches minimum and no larger than 6 inches.

- Cut out two hearts from felt. Cut a heart from batting or fiberfill a smaller size, so none of it will show once it is all put together.
- Cut a length of ribbon for your loop, and stitch it in place with a few stitches, to the inside top of one of the hearts.
- Lay the batting on top and then place the other heart on top again, making a sandwich with the batting/fiberfill and ribbon in the middle. Pin if you wish.

- Make small running stitches all around the edge of the heart.
- Now decorate with your embellishments.
- Remember: No Glue, Have Fun and Be creative!

Scarf Pattern Number: L40035

SKILL LEVEL: Beginner (Level 1)

SIZE: One Size About 5 x 28 in. (13 x 71 cm)

CORRECTIONS: None as of Apr 10, 2014.

MATERIALS:

Entrant Chooses Color of Yarn

- Color (A) 1 Ball LB Vanna's Choice
- Color (B) 1 Ball LB Vanna's Choice
- Boye Aluminum Circular Knitting
Needles 29 inches Size 9
- Lion Brand Large-Eye Blunt Needles
(Set of 6)

GAUGE:

16 stitches = about 4 in. (10 cm) in
Garter stitch (knit every row)
When you match the gauge in a pattern,
your project will be the size specified in
the pattern and the materials specified in
the pattern will be sufficient. The needle
or hook size called for in the pattern is
based on what the designer used, but it
is not unusual for gauge to vary from per-
son to person. If it takes you fewer
stitches and rows to make your swatch,
try using a smaller size hook or needles;
if more stitches and rows, try a larger
size hook or needles. Making
a Gauge Swatch

NOTES:

1. The Scarf is worked in Garter stitch
(knit every row). Garter stitch is
reversible, so your Scarf will look
good on both sides.

2. Because of the number of stitches,
the Scarf is worked back and forth
in rows on a circular needle. Work
back and forth on the circular needle
as if working on straight needles.
3. Stitches are bound off and then cast
back on to make a keyhole opening
in Scarf.
4. You don't need to cut the old color
yarn when changing color - just
carry the color you're not using
along the side edge of the piece,
ready for the next time you need it.

SCARF:

With A, cast on 112 stitches.

Rows 1 and 2: With A, knit..

Rows 3 and 4: With B, knit.

Repeat Rows 1-4 until piece measures
about 2 ½ in. (6 cm) from beginning,
end with Row 2 as the last row you
work.

Next Row: With B, knit 22, bind off
6 stitches, knit to end of row.

Next Row: With B, knit 84, *insert
right hand needle into the space
between the first and second
stitches on the left hand needle;
wrap yarn and pull through (as if
knitting) to make a new stitch; slip
this new stitch onto the left hand
needle; repeat from * 5 more times
(so that you have cast on 6 new
stitches to replace the 6 that were
bound off), then knit to end of row.

Repeat Rows 1-4 until piece measures
5 in. (13 cm) from beginning, end
with a Row 2 as the last row you
work. With A, bind off.

FINISHING: Weave in ends.

**Lion Brand® Vanna's Choice®
Two Color Scarf**

Scarf Pattern Number: L60408

SKILL LEVEL: Easy+

SIZE: About 7 1/2 x 59 in. (19 x 150 cm)

MATERIALS:

Entrant Chooses Color of Yarn

- Lion Brand® Vanna's Choice® (Art. #860)
- Color (A) 2 balls
- Color (B) 1 ball
- Lion Brand® crochet hook size I-9 (5.5 mm)
- Lion Brand® large-eyed blunt needle

GAUGE:

13 sts + 13 rows = about 4 in. (10 cm) over Rows 3-6.

Note: Each sc and ch-1 sp count as 1 st. **BE SURE TO CHECK YOUR GAUGE.**

NOTES:

1. Scarf is worked in one piece, back and forth in rows.
2. Bands at beginning and end of Scarf are worked using both yarn colors. Body of Scarf is worked with one color of yarn.
3. When instructed to work in a space "2 rows below" work into the space in the row numbered 2 less than the row you are currently making. For example, if you are making Row 4, a space "2 rows below" is in Row 4 - 2 = Row 2.

4. When working two-color bands, 2 RS rows are worked then 2 WS rows are worked. The yarn color is changed every other row. To change color, remove loop of old color from hook and elongate loop so that it does not unravel. Do not fasten off old color until instructed. Join new color as instructed or return elongated loop of new color to hook and gently tighten loop around hook. Proceed with new color. This color change method reduces the number of yarn tails you'll need to weave in later.
