FOR IMMEDIATE RELEASE

FLUTTERING FRIENDS AT THE DUTCHESS COUNTY FAIR

July 30th, 2019

Rhinebeck, NY – The Dutchess County Fair welcomes the Butterfly Encounter LLC, a family owned travelling business to the 174th Dutchess County Fair.

Did you know that a group of butterflies is known as a flutter? Wander through this enclosed butterfly garden where children and adults can witness the fascinating dance of the butterfly. This interactive habitat is filled with educational demonstrations and shows. You will learn about the life cycle of the butterfly from egg to adult. You will also learn how to fix a broken butterfly wing, feed and interact with the butterflies. Learn what butterfly friendly plants sustain the butterfly. Butterfly kits are available for purchase so patrons can take home their very own butterfly.

If you're lucky, a butterfly may even land on you while you are in the exhibit so be sure and check for hitchhikers before you exit to make sure no butterflies have perched on your back. You'll now be able to appreciate butterflies for what they truly are, beautiful, graceful, tiny little miracles of nature.
