Pirates of the Colombian Caribbean Aerial High Wire Thrill Show - Presented by the Sensational Murcia Family

July 30th, 2019

Rhinebeck, NY - Pirates of the Colombian Caribbean is a copyrighted production that incorporates the Sensational Murcia world famous High Wire act and the legendary Wheel of Destiny act all in a very unique setting.

It is your typical "GOOD" pirates against the "BAD" pirates in the never-ending battle for the treasure map; however, this all takes place suspended on a thin wire cable 30 feet in the air over the top of a huge pirate ship!

This is when you see over 30 years combined experience of the Sensational Murcia's on the high wire. Watch as they execute daring feats, acrobats and tricks on the 1/2 inch steel cable, such as sword fighting, the dangerous two man high, actually skipping rope and the final trick you have to SEE TO BELIEVE!

Also, included in the action is the Wheel of Destiny, disguised as an enormous skull and crossbones, where fate is also tempted. As the giant wheel spins, the pirates jump, somersault and sword fight all while it is rotating on its axis!

The whole performance is presented in authentic pirate costumes, complete with a beautiful pirate ship backdrop and set, exciting, suspenseful music, fantastic use of lighting and smoke effects for an experience that you will never forget. It is nonstop action from beginning to end and guaranteed to thrill all ages.
