POWERS GREAT AMERICAN MIDWAYS HAS MORE EXCITEMENT PLANNED FOR THE DUTCHESS COUNTY FAIR

Rhinebeck, NY – After everything we all have endured during 2020, the 2021 Dutchess County Fair will be one for the ages. Powers Great American Midways, the Dutchess County Fair's midway partner since 2006, has more excitement planned than you can believe!

This year, the Ride All Day Wristband will be offered throughout the week of the fair. The wristband can be purchased online now through midnight of August 23rd for \$25. Once the fair opens the price increases to \$30. Individual ride tickets and wristbands can be purchased in the midway throughout the week. Go to dutchessfair.com to purchase your Ride All Day Wristband.

New rides from around the world and the great U.S.A. include the Giant Spider Gondola Wheel, the F5 Swinging Pendulum ride and the Sky Hawk towering almost 100 feet in the air! The younger thrill seekers can take a ride on the Dragon Family Roller Coaster or the Mini-Paratrooper.

Many of your fair favorite games will be back to challenge you. Rev up your skills to be the next quarterback for your hometown football team by practicing on the new Super Deluxe Football Toss.

As always, Powers fab food has it all including fried dough, gyros, hot sausage, cotton candy etc. Is your mouth watering yet?

2021 will be twice as much fun on the midway at the 2021 Dutchess County Fair with Powers Great American Midways! The Dutchess County Fair begins it's six day run on August 24th. For more information or to purchase tickets, visit www.dutchessfair.com.
