Throw with the “AXE-PERTS” at the Dutchess County Fair

Rhinebeck NY..... Making their debut at the 2022 Dutchess Fair as Hat City Axes, they are back by popular demand under a new name, DEADWOOD AXE THROWING. “New name, same management, still with the same goal in mind, providing axe throwing in a fun and safe environment,” said Keith Dibuono, show manager.

Axe throwing, in the last decade, has become one of the most popular social activities in the US. If you’ve never thrown an axe before but have said to yourself, “I’d like to try that sometime.” This is the perfect opportunity to give it a try. It’s only \$10 for 10 throws.

Founded in 2021 Hat City Axes has quickly become one of the largest Mobile Axe Throwing services in the Northeast. Hat City Axes is also one of the only Mobile Axe Throwing companies with not only three, separate, two-lane axe throwing trailers BUT ALSO one of the only 4 lane mobile trailers in the US.

Stop by the DEADWOOD AXE THROWING mobile unit (Map #60) while at the Fair and ask one of the “Axe-Perts” to teach you the fundamentals of the sport. Deadwood “Axe-Perts” will show you the basics all while your friends and family root you on from the sidelines.

If you are in the CT, NY, or NJ areas and are having an event that you think would love to split some lumber, then give Deadwood Axes a call at 888-246-1999 or you can check them out on the web at www.deadwoodaxe.com.

The Dutchess County Fair runs August 22 through the 27th. Visit dutchessfair.com for more information.
